

Upsilon Pi Epsilon (YΠE)

International Honor Society for the Computing and Information Disciplines
University of Michigan-Dearborn, Student Chapter

Upsilon Pi Epsilon (UPE) is the first and only international honor society for the computing sciences, founded in 1967 at Texas A&M University. UPE is a member of the Association of College Honor Societies (ACHS). It is the express purpose of Upsilon Pi Epsilon to promote the computing and information disciplines, and to encourage their contribution to the enhancement of knowledge.

The mission of UPE is to recognize academic excellence at both the undergraduate and graduate levels in the computing and information disciplines. Membership in UPE is a distinct honor which is recognized throughout the computing community. *If honor society membership interests you, please visit: “<http://upe.umd.umich.edu>”, and click on “Join UPE”.*

Activities

Gaming Day - High school students learn a little about game development, and get to play a lot of student developed games.

Game Night - Socialize and play games with other UPE members once a week.

Boy Scout Computer Saturday - Boy Scouts earn merit badges about computers, the internet, and develop interest in Computer Science.

Girl Scout Computer Saturday - Girl Scouts earn merit badges about computers, the internet, and develop interest in Computer Science.

Tutoring - Tutoring of UM-Dearborn students for CIS classes in the Fall and Winter terms.

Spring Picnic - All current and alumni members of UPE are invited to a traditional barbeque picnic. Activities: Volleyball, frisbee, football (catch)

Campus Open House - We welcome potential new students & help answer any questions they have while they are in the CIS department.

High School Web Design Competition - Hosted by UPE for the Engineering/Computer Science Experience event.
